Hi Valois,

I would also like to ask my colleague, John Eddins (who has been working with NRC on their 106 for this project) to join us—we are both available Monday until 2 and until 3 on Thursday.

Thanks!

Kelly

Hi Paige and Kelly,

Here are the topics I would like to discuss:

1. Quick overview of the Dewey Burdock project
2. History of the Nuclear Regulatory Commission's 106 process for the Dewey Burdock
3. EPA's plan

I think it would take about 30 minutes.

Please let me know which day would work best and time slots during the day.

Thanks!
